## Tenets

### *'Safely' to Safety*

A core component of winning is having a healthy team and that starts with a safety-first outlook. We begin with a Safety Tailboard and work safely throughout the day.

### *Early is on time. On time is late.*

On-schedule is not our goal at Soar Environmental. We are serious about our timeline and will do anything possible to ensure projects are completed ahead of schedule.

### *Govern policy – Provide solution.*

We analyze overlooked or unknown strategies to provide an operational advantage to our customers. We govern policy to provide streamlined, manageable solutions.

### *A toe shine is no shine.*

This military motto alludes to the way boots are shined. We believe in superior work and produce quality documents to compete the job correctly the first time. Great results derive from competency, consistency and knowledge.
